PURPOSE OF THE ELEMENTARY HANDBOOK

The handbook is designed to assist parents, guardians, and students with the policies and procedures of Sharpsville Area Elementary School and the Sharpsville Area School District. This handbook is organized by topic in alphabetical order. The elementary discipline policy will be included within each area it applies to or where appropriate for the specific response to infractions. The main purpose of the handbook is to ensure effective communications between the home and school. The provisions of this handbook represent a summary of school board policy on the topics addressed. In order to have a more complete understanding, you should consult school board policy book. The provisions contained in school board policy shall control in regard to issues of interpretation, clarification and enforcement. Any item not specifically addressed in the handbook will be handled by the building principal.

TITLE IX, SECTION 504 POLICY

The Sharpsville Area School District does not discriminate on the basis of sex, handicap, race, color, or national origin in its educational and vocational programs, activities, or employment as required by Title IX, Section 504, Title VI, and Chapter 15. For further information, contact the office of the Superintendent, at 1 Blue Devil Way, Sharpsville, Pennsylvania 16150.

RIGHT TO REQUEST TEACHER QUALIFICATIONS

As a parent of a student in the Sharpsville Area School District, you have the right to know the professional qualifications of the classroom teachers who instruct your child. Federal law allows you to ask for certain information about your child's classroom teacher and requires us to give you this information in a timely manner if you ask for it. Specifically, you have the right to ask for the following information about each of your child's classroom teachers:

- Whether the Pennsylvania Department of Education has licensed or qualified the teacher for the grades and subjects he/she teaches;
- Whether the Pennsylvania Department of Education has decided that the teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances;
- The teacher's college major, whether the teacher has any advanced degree and, if so, the subject of the degree; and
- Whether any teacher's aides or similar paraprofessionals provide services and, if they do, their qualifications.

If you would like to receive any of this information, please call the office of the Superintendent at (724) 962-8300 ext. 4101.

ATTENDANCE

All students who are absent from school must submit a written excuse within 3 days of the child's return to school. If an excuse is not provided for the day(s) in question, it will be determined that the absence(s) is unexcused /unlawful.

The only absences that are excused absences by the Pennsylvania School Code are as follows:

Illness of the student
Death in the immediate family
Impassable roads
Farm and domestic service
Quarantine
Pre-approved family educational trips
Documented court appearance
Medical or dental appointments
School sponsored trips
Religious holidays

Students who are absent in excess of 10 days are required to submit an excuse from a doctor for each absence beyond the tenth day. Students who are absent beyond 10 days and do not submit a doctor's excuse or fail to submit an excuse within 3 days of returning to school will be marked as unexcused/unlawful. Either the physician or a representative of the medical facility must write the excuse.

It must be submitted on their form, stationary, or letterhead. Faxed excuses from a physician's office will also be accepted.

Attendance Practices

1. Students who have accumulated 10 days of absences will receive a required medical excuse notice. This letter is sent to inform you that all absences beyond the tenth day must be accompanied by an excuse from a doctor.
2. Students who have an absence determined to be unexcused/unlawful will receive a letter after each such day. Students can accumulate three unexcused/unlawful absences without penalty. A fourth unexcused/unlawful absence will result in charges being filed against the parents/guardians of the student with the district magistrate's office for violation of the Compulsory Attendance Laws of the Commonwealth of Pennsylvania. Once charges have been filed, they can be filed with each subsequent day of unexcused/unlawful absence.
3. With any absence determined to be unexcused/unlawful, the student will not be permitted to make up the work missed. This includes homework which is due, tests, quizzes, etc. This may be done retroactively.
4. Students who are absent from school are not permitted to participate in any extracurricular activities on the day of absence.

Late Arrivals/Tardy

A student is considered tardy if he/she arrives after 9:00 A.M. to his/her assigned class/homeroom. All students late to school must report directly to the main office and present a written excuse from home. The time will be recorded and they will be provided a late pass to enter the classroom. If a written excuse is not presented, the tardy will be determined unexcused. An accumulation of tardies may result in fines through the district magistrate.

Early Dismissals

When a student is to be excused from school before 3:30 P.M., he/she must present an excuse from a parent or guardian. The only excused reasons are those indicated under in the attendance policy. Any reason determined not to be legitimate may be an unexcused/unlawful absence.

If your child is leaving early, you are required to park in Lot Area A located at the front of the building. Parents/guardians must sign their child out in the office. At that time your child will be called to the office where they will leave with you. Parents/guardians are not permitted to go directly to the room of the child. They are required to remain in the office until he/she arrive. The student is

responsible for any school work that is missed while they are gone.

If signing out for a medical appointment you are required to take a medical appointment card provided by the secretary. The card signed by the doctor's office must be presented to the main office upon your return to school. If a student will be arriving late to school because of a medical appointment, they should obtain a medical appointment card before leaving school the day before.

In the case of emergency, parents must bring a written excuse to have their child dismissed. Parents/guardians must sign their child out in the office. The student will be called to the office when the parent arrives.

BIRTHDAYS CELEBRATED AT SCHOOL

Per the district wellness policy, no edible treats are to be sent to school. A small gift such as stickers, pencils, coloring pages, crayons, toys, or books may be sent to school. Parents/guardians who bring birthday treats are to leave them in the office.

Please make arrangements with the classroom teachers to bring in a birthday treat. Balloons and flowers are a distraction in the classroom and a safety hazard on the bus. Arrangements should be made to have them delivered to the child's home, not school. Student birthdays will be recognized at school, however, parties and elaborate treats are for home, not school.

BOOK BAGS

The children may use book bags to carry work to and from home. If the child has a book bag the parent/guardians are requested to periodically help their child to empty and clean them out. The district reserves the right to examine the contents of student book bags and student desks.

BUILDING USE POLICY

If a community member would like to use school for any reason before or after regular school hours they need to complete, in detail, the Request for Building Use form two weeks prior to the activity. This form is available in the school office and on the district's website at www.sharpsville.k12.pa.us

BUS TRANSPORTATION

Bus Routes

Questions regarding bus routes can be directed to the Superintendent's office at (724) 962-8300 ext. 4100 or to Shelley Kibby at Student Transportation of America (STA) at (724) 983-1112.

Bus Regulations

Students will be picked up and dropped off at their residence only. Any deviation of this rule must be approved by the building principal after a written request is submitted by the parent or guardian. Any request indicating multiple pickup and drop off points will not be approved. The change, if approved, will not commence for a period of three days.

Students are to ride only the bus to which they have been assigned. In emergency situations, parents who need their children to ride a different bus should send a note with their child. No student will be permitted to ride a different bus or be picked up from or delivered to a different bus stop without a written note signed by a parent/guardian.

Students who need transportation to and/or from a daycare agency that is already a listed bus stop on the Sharpsville route, MUST complete a special transportation form 3 days in advance before transportation will be available.

Bus Safety for Students

The safety of our students is paramount. The following guidelines are in place to ensure that all students depart and arrive in a safe manner.

1. Students are to report to their bus stop at least 5 minutes before the bus is scheduled to arrive.
2. A student who is not picked up at their driveway should proceed to the bus stop by walking on the left side of the road facing traffic if there are no sidewalks present.
3. Students should wait until the bus comes to a complete stop before crossing the street to board the bus or when waiting to disembark.
4. Students should go directly to their assigned seats when boarding the bus.
5. Students should keep books, lunches, etc. on their lap--not in the aisle of the bus.

6. Students should keep all parts of the body (hands, arms, and head) inside the bus.
7. Students are permitted to talk quietly with their seatmate, but not with the driver when the bus is in motion to help the driver avoid an accident.
8. Students should only get off at assigned stops unless they have a note from a parent that has also been signed by the principal or secretary.
9. Students should cross the road in front of the bus immediately after discharge.

Student Behavior on the Bus

Bus transportation to and from school is a privilege. Any major discipline problems may result in immediate suspension from the bus. Parents will then be responsible for transportation to and from school during this suspension. We desire the cooperation of drivers, students and parents in keeping our buses safe. Parents should feel free to call the principal or STA in regards to any problems.

- The bus driver is in charge of the bus just as a teacher is in charge of the classroom.
- Any type of student misbehavior or irregularity which distracts the driver, or threatens the safety of the passengers, and interferes with the safe operation of the bus must be reported by the driver to the principal on a bus conduct report.

Disciplinary action may take the form of the following:

- A verbal reprimand and warning
- Reassignment of seat
- Contact with the parent or guardian
- Detention
- In-school suspension
- Suspension of transportation privileges

CAFETERIA BEHAVIOR

Inappropriate behavior in the cafeteria during breakfast or lunch will not be tolerated. Students that do not conform to the following guidelines will be disciplined by moving of seat, loss of recess time and/or lunch detention depending on the severity of the offense.

1. Students are to walk at all times while in the cafeteria.

2. Students are there to eat lunch. During this time students may talk quietly with the other students at their table.
3. Students are not permitted to leave their seat without permission from one of the teachers or cafeteria personnel. Students must raise their hand to ask for permission to leave their seat or for assistance.
4. Restroom privileges will be granted to only one student at a time. Students must use the restroom across the hall from the nurse's office on the second grade hallway.
5. Throwing food or any other display of disorderly behavior will result in disciplinary action.
6. The lunch room personnel have every right to assign seats during this time.
7. Before being dismissed from the cafeteria students are expected to pickup and discard all materials in the trash containers. Students are responsible for keeping their area clean. This includes the table and floor.
8. Students are not permitted to leave the cafeteria with food or snack items.

CARE OF SCHOOL PROPERTY

Students at Sharpsville Area Elementary School are entrusted with various school supplies loaned for study. These materials should receive the best of care and must be returned at the end of the school year in good condition. Students will be assessed for all lost or defaced books and materials.

Students are not to mark school furniture, walls, ceilings, floors, books or equipment with pen, pencil, paint or any other instrument. Students will be responsible to pay for damage to school property, and may be referred to the proper law enforcement agency.

CHANGE OF ADDRESS OR RESIDENCY

The Sharpsville Area School District requires all parents/guardians to inform the child's school of any change in address and residency. If the change in residency is a move out of the district, and occurs during the last forty-five days of the school year, the student will be permitted to complete the school year if the parent/guardian so desires. If the residency status is unchanged, the student will be required to withdraw at the end of the school year. If the change in residency out of the district occurs prior to the last forty-five days of the school year, the parent/guardian will be required to withdraw the student and enroll them in the new district. If there are any questions regarding residency within the district, the administration reserves the

right to request four documents indicating proof of residency.

CHEATING

Students who are caught cheating on tests or other schoolwork will receive a zero in the grade book for that particular work. The teacher will inform the parent/guardian of the offense. If it is possible, the child will tell his/her parent/guardian by telephone with the teacher present.

CHEWING GUM

Chewing gum is not permitted in school, on the school bus or at other school activities. The student will be asked to dispose of the gum. Additional incidents may result in disciplinary action.

DAILY DISMISSAL PROCEDURES

Only bus students are to exit the building through the main entrance. Parents/guardians picking up their child at the regular **3:30 P.M.** dismissal must use the following exits and parking lots:

Failure to serve the detention will result in suspension. If at any time there is a problem with the assigned detention date, parents must contact the principal. DRUG AND ALCOHOL POLICY

The Sharpsville Area School District recognizes the misuse of chemicals is a serious problem confronting our youth, with legal, physical and social implications for the entire community. The district prohibits the use, misuse, possession of, receiving, distributing (providing in any manner) or being under the influence of controlled substances (defined by the Pennsylvania Controlled Substance, Drug, Device and Cosmetic Act), drug paraphernalia, “look-alikes” or alcohol (in any form) on school property or while under the district’s jurisdiction. This policy also includes the possession of and or use of those chemicals defined and referred to as “inhalants”.

Violation of this policy will result in the following:

- A fine assessed by the local magistrate.
- A suspension for a period of three days for the first offense, five days for the second and ten days for the third and subsequent offenses.

EDUCATIONAL TRIPS

For a maximum of five (5) school days for the school year, the district may grant excused absences from school for trips/vacations having educational value as determined by both the principal and superintendent. Approval will not be granted for trips scheduled during the first ten and last ten days of the school year, and the PSSA testing windows. Absences exceeding the approved five days will be considered unlawful/unexcused.

The required approval form is available in the main office and **must be submitted at least one week prior to the scheduled trip.** **This will be strictly enforced.** Permission may be denied for the following reasons as determined by the administration: poor academic standing, poor attendance, and/or disciplinary factors.

ELECTRONIC DEVICES

Students are permitted to use personal electronic devices during the school day for legitimate educational purposes at the discretion of the classroom teacher. Electronic devices include phones, laptop computers and tablets. Teachers and staff reserve the right to establish times during the school day when devices are not permitted to be used.

Students who use their devices for non-legitimate educational purposes at school or on school property may have this privilege revoked for a given period of time. Additional infractions may result in the issuing of behavior consequences including, but not limited to: loss of recess, lunch detention, after-school detention or in/out of school suspension. Repeated use of devices for non-

legitimate educational purposes at school or on school property may result in permanent loss of this privilege.

Students accessing the internet on their personal devices using the district's network must adhere to the rules and guidelines established in the school board policy relating to usage of network/internet resources. Students who connect to the internet using district resources should consider his/her personal device subject to the same level monitoring and access as any district-owned technology device.

The Sharpsville Area School District does not require bringing personal devices into school and that owners assume all risks of damage, theft, loss or misuse of such devices. The use of personal devices is with the understanding that the student has the permission of their parent/guardian to bring it onto school property. The District holds no responsibility for damage or loss of the personal device.

EMERGENCY INFORMATION

Student emergency information forms will be sent home during the first week of school. Please return the form as soon as possible so that we may have access to the most current emergency information. Fire drills are held in accordance with state law. Students should avoid panic by moving quickly and quietly from the school. Students must follow the instructions of the teachers and/or administration. *All parents/guardians/visitors in the building are expected to follow school procedures in the event of a fire drill or alarm.*

FOOD SERVICES

The Sharpsville Area School District elementary cafeteria strives to provide high quality, nutritious meals to the students and staff of our school. Our meal programs are governed by the National School Lunch Program, the National School Breakfast Program and the United States Department of Agriculture. Our menus meet the requirements of these programs. For additional information, visit our website or contact the district cafeteria office at (724) 962-8300

ext. 2750.

Point of Sale

Students have accounts which permit lunches to be paid for in advance. Parents/guardians can deposit money into their child's account by sending payments to school with their child who will then give them to the cafeteria. Each time the child eats lunch the amount of the meal is withdrawn from the account.

Each student's account is tracked through a method of uniquely identifying each child called finger scanning. Finger scanning differs from finger printing as the scan only identifies several points on a child's finger, not the entire print. The image cannot be reconstructed, duplicated or used for any other identification purposes. Parents/guardians have the option of having their child not participate in the program. If you would like further information on this process, please contact the school office at (724) 962-8300 ext. 3000.

Kindergarten Snacks

Sharpshville Area School District does not provide snacks for Kindergarten students. Students have the opportunity to have a **small** snack at school, but that snack must be provided by the parents/guardians of each child. Snacks should be easy open and **must not** require refrigeration OR heating as we are not able to accommodate such requests. Snack time lasts no longer than 10 minutes.

Breakfast Program

The Sharpshville Area School District elementary cafeteria serves breakfast each day from 8:30 - 8:55 A.M. at a cost of \$0.25. Breakfast menus and prices are sent home with students at the beginning of each month. Choices include the main menu option as well as a variety of cereals and toast, fruit and juice and white or chocolate milk. Parents/guardians who would like to apply for free or reduced price breakfasts should do so through the school office. Students choosing to eat breakfast should report directly to the cafeteria upon their arrival to school, eat breakfast, and then report to their classroom. Students are not to go to their locker first or loiter in the halls or restroom. Students only have time to eat and go to their room.

School Lunch Program

School lunch menus and prices are sent home with all students in grades K-5 at the beginning of each month. The lunch menu offers four lunch choices each day.

Federal law requires students to take a complete lunch when a Class A hot lunch is served. Since we subscribe to this program, please encourage your child to try everything on the menu for that day. Students may not enjoy eating everything, but

good food habits are formed in the early years. We simply ask that students try the food. They are not required to eat everything.

Free and Reduced Meals

The Federal Government provides breakfast and lunch for children of families that meet the guidelines to qualify for the program. This is determined by the family's income. Forms are mailed home to every child with his/her new classroom assignments. Forms are also available upon request and during open house. After completion, the form may be returned with the student or mailed directly to the District office. All information provided on the form is kept confidential. If circumstances occur during the school year that adversely affects family income, please contact the school in order to apply for the program.

Elementary Charge Policy

Students who charge their meals and maintain outstanding charges will face a step process in attempting to collect these charges. When a student's account reaches \$5.00 or less, a written reminder will be sent home with the student or to that student's parents via email if an address is has been provided to the district.

Students who have a negative account balance and have charged five additional lunches will only be permitted to purchase an alternate meal consisting of a cold lunch meat/cheese sandwich, side of fruit, and a carton of milk. Any student with a negative account balance will not be permitted to charge ala carte items. Any money presented will be applied toward the outstanding balance before being applied to ala carte items.

GIFTED EDUCATION

In accordance with the Board's philosophy to develop the special abilities of each student, the Board requires that appropriate instructional programs be conducted to meet the needs of mentally gifted pupils of school age that are in compliance with the mandate of the Commonwealth of Pennsylvania. Thus, the District shall provide gifted education services and programs designed to meet the individual educational needs of identified students.

The framework for said programs shall encompass, at a minimum, the following objectives: expansion of academic attainments and intellectual skills; stimulation of intellectual curiosity, independence and responsibility; development of critical thinking and creativity. The curriculum and programmatic opportunities for mentally gifted students shall be designed to provide a variety of enrichment and acceleration opportunities and to ensure regulatory compliance. HOMEBOUND INSTRUCTION

Whenever a student contracts a disability or extended illness, provisions can be made for homebound instruction. The requirement is that a child must be unable to attend school for a considerable period of time. Requests for homebound instruction should be initiated by the parent through the school principal and supported by the necessary statement from the physician. There is no charge to the parents for this service. Pennsylvania School Code grants a maximum of twenty hours of instruction per month. These hours are arranged by an agreement between the parent and the assigned teacher.

HOMEWORK FOR ABSENT STUDENTS

Homework can be picked up between 3:20 P.M. - 4:00 P.M. in the elementary office for those parents/guardians who have made a request to the teacher for the missed assignments.

HEALTH ISSUES

Mandatory Absences for Health Reasons

There are certain conditions which require a student to remain out of school. Students are not permitted in school with any of the following conditions:

Measles	Whooping Cough	Ringworm
Mumps	Chicken Pox	Scabies (itch)
Conjunctivitis (Pink Eye)	Impetigo	Pediculosis (lice)

A student, who has been excluded from school for any of the above conditions, will be readmitted only with a certificate of recovery from a physician. PARENTS/GUARDIANS SHOULD CALL THE SCHOOL when the student develops one of these conditions. Informing the school will help the teacher plan better for the student as well as help prevent the condition from spreading to other students.

Parents/guardians are to remain in the office where they will meet their child. Parents/guardians should not go directly to the classroom for their child. Any work the student will miss while absent must be made up and is the student's responsibility.

IN-SCHOOL SUSPENSION

In-School Suspension is the disciplinary action of removing a student from his/her school activities, including after-school activities. It differs from detention in that it is the next step toward out-of-school suspension. During the time of the In-School suspension assignment, the student will be expected to complete work assigned by the teacher. An in-school suspension assignment may range from one to three days. If a student is uncooperative while assigned, the day(s) may be reassigned.

INTERNET/NETWORK USAGE

The use of computer and network facilities shall be consistent with the curriculum adopted by the Sharpsville Area School District, as well as the varied instructional needs, learning styles, abilities, and developmental level of students.

The school board supports the use of the Internet and other computer networks in the district's instructional program in order to facilitate learning and teaching through interpersonal communications, access to information, research, and collaboration.

The school board establishes that use of the Internet is a privilege not a right. Inappropriate, unauthorized, and illegal use will result in the cancellation of those privileges and appropriate disciplinary action.

All parents/guardians and students will receive a copy of the Internet usage policy. Both the parents/guardians and students are required to sign the Network Consent Form before access to the Internet and network services will be granted. Students who violate the terms of the Internet policy may lose computer privileges for a period of time determined by the principal.

LOCKERS/LOCKER SEARCH

Students in grades 2-5 are assigned hall lockers. Only locks with keys are permitted on lockers. A duplicate key **MUST** be turned into the homeroom teacher for safekeeping. Please note that there will be no tape or adhesive stickers permitted to be used anywhere on the lockers.

School authorities may search the student's locker without prior warning in seeking contraband. Materials seized may be used as evidence against the student in disciplinary, juvenile or criminal hearings. The full locker search policy adopted by the Board of Education can be viewed in the school office.

LOST AND FOUND

Any articles that have been found should be brought to the office to be placed in the lost and found. If you have lost an article, please come to the office to look for it.

LUNCH DETENTION

Lunch detention is the temporary loss of cafeteria eating privileges. Students assigned lunch detention will eat their lunch in the office. Assignment to lunch detention can range from 1 day to an indefinite period of time.

MEDICATION

The district is not responsible for the diagnosis and treatment of student illness. The administration of prescribed medication to a student will be permitted with the direction of parent and/or physician when failure to take such medication

would jeopardize the health of the student and when the student would not be able to attend school if the medication were not available during school hours. All medication taken at school must be processed through the School Nurse.

Prescription Medication

Prescribed medication to be given during school hours **MUST** be in the pharmacy container that gives complete instructions including the patient's name, name of medication, dosage and times to be given, and number of days to be given. (Ask your pharmacist to prepare two labeled containers, one for school and one for home) The **FIRST** dose of this medication for current condition/illness may not be given at school. In order for the school nurse to distribute prescription medication, the following must be on file in the principal's office **each year**:

- A Physician's Request (form A) This form must be filled out by a physician
- A Request Form for School Dispensation of Prescription Medication (form B) This form must be filled out by the Parent/Guardian
- A Release form for Distribution of Prescription Drugs (form E) This form must be filled out by the Parent/Guardian

If these forms are not filed new each school year, school personnel WILL NOT distribute medications.

Non-Prescription Medication

Any over the counter medication that the parent feels necessary to be given during school hours **MUST** be in its original container and be accompanied by a written note from the parent stating students name, medication name, dosage, time to be given, and number of days to be given. These medications should be kept to a minimum. Over the counter medications needed for more than two weeks may require a physician's order.

Some non-prescription medication will be kept on hand in the nurse's office in the event that your child may need them. These medications include acetaminophen (Tylenol), ibuprofen (Motrin), Benadryl (for allergic reaction), and Robitussin (for cough). These medications will be given at discretion of the school nurse. Parents must fill out the Emergency Health Information sheet and check the medications that their child is permitted to receive. Cough drops will not be provided by the school nurse.

All medication must be processed through the School Nurse's office. Any medication brought in should be brought in by the parent/guardian and directly handed to the school nurse. For the safety of all students medication should not

be sent with student on the school bus. **All medication MUST be in its original container** (not loosely in a plastic baggie). If these procedures are not followed the medication will not be given.

Student Self-Administration of Medication

To self-administer medication, the student must be able to: respond to and visually recognize his/her name; identify his/her medication; measure, pour and administer the prescribed dosage; sign his/her medication sheet to acknowledge having taken the medication and demonstrate a cooperative attitude in all aspects of self-administration.

MISCONDUCT

Misconduct is not limited to a special list of poor behavioral activities. It seems there always some situation that is new or unique. Misconduct can be punished by loss of recess, detention, in or out of school suspension, depending on the severity of the offense.

Multi-tiered Systems of Support (MTSS)

Multi-tiered Systems of Support (MTSS) is a team process used to address concerns about a child's academic, emotional, or behavior needs. The MTSS consists of a classroom teacher, counselor, parent/guardian, principal, and other relevant staff members. MTSS is designed to help identify a child's strengths and areas of concern, to develop an educational plan to support the child and assist the classroom teacher in using strategies to meet the student's needs.

NONDISCRIMINATION IN SCHOOL AND CLASSROOM PRACTICES

The Board declares it to be policy of this district to provide an equal opportunity for all students to achieve their maximum potential through the programs offered in the school. The Board encourages students and third parties who have been subject to discrimination to promptly report such incidents to the building principal. The Board directs that complaints of discrimination shall be investigated promptly, and corrective action be taken when allegations are substantiated. Confidentiality of all parties shall be maintained, consistent with the district's legal and investigative obligations.

If the complainant is not satisfied with a finding of no violation of the policy or with the corrective action recommended in the investigative report, s/he may submit a written appeal to the Superintendent within fifteen (15) days. District policy 103 for the appeal procedure can be found on the district website.

The South Gymnasium entrance is available for bus students only. In addition, and for security reasons, parents/guardians are not permitted to enter the building any further than the corridors of the main entrance in the morning.

PARENT TEACHER ORGANIZATION (PTO)

The Sharpsville Area Elementary School has an active Parent Teacher Organization (PTO). The PTO has an annual membership drive for families who have students attending the Sharpsville Area Elementary School. Anyone desiring membership information about the PTO should contact the elementary school office. The annual cost is \$5.00 per family.

PARENT/TEACHER CONFERENCES

Parents/guardians are welcomed at the Sharpsville Area Elementary School and are encouraged to come and talk with teachers or administrators about issues relating to their child. Since the teacher's main responsibility is the welfare of the student under his/her care, a phone call to set up a conference will make the meeting more beneficial to all. Full cooperation in this matter will be greatly appreciated.

The following guidelines should be followed:

- Please telephone the school for an appointment to see a teacher. A convenient time and place will be scheduled for a conference.
- Stop at the office before proceeding to your appointment.
- You will be directed or taken to a meeting place.

PARTY INVITATIONS

Students will be permitted to hand out party invitations during the school day ONLY IF they have invitations for the entire class. Please be aware that the school does not give out addresses or telephone numbers of students or parents.

PETS

Due to the number of students with allergies and our concern for safety issues, pets of any type are not permitted on school property. This includes dogs, cats, reptiles, etc.

REPORT CARDS

Sharpsville Area School District follows a 9-week grading period. All students receive report cards four times during the school year.

RUNAWAYS

Runaways are defined as students who leave school property without permission. An emergency response procedure is followed if a child is reported missing from school. School personnel are not permitted to pursue students off school property. The principal or his/her designee will contact the police and report the missing child.

SCHOOL INSURANCE

School insurance is available to all students. Information will be sent home at the beginning of the school year. The purchase of school insurance is optional. Students playing intramural sports are requested to bring proof of insurance from home, or they must buy the school insurance before they will be allowed to participate.

SCHOOL SPONSORED ACTIVITIES

School sponsored events and activities cover a wide range of activities available to students. Students are to act in an appropriate manner while in attendance at these activities as dictated by school rules and regulations. Failure to do so may result in disciplinary consequences and/or the student not being permitted to attend future school sponsored events and activities.

SPECIAL EDUCATION

The Sharpsville Area School District provides a free, appropriate public education to exceptional students. To qualify as an exceptional student the child must be of school age, in need of specially designed instruction and meet eligibility criteria for one or more mental and or physical disabilities as set forth in Pennsylvania State Standards.

The district engages in identification procedures to ensure that eligible students receive an appropriate educational program consisting of special education and related services individualized to meet student needs. At no cost to the parents/guardians, these services are provided in compliance with state and federal law and are reasonably calculated to yield meaningful educational benefit and student progress.

To identify students who may be eligible for special education, various screening activities are conducted at three levels. Level I consists of a review of the

student's records including; attendance, **MTSS** documentation, student assistance referral, report cards, cumulative information, and health needs. Level 2 screenings involve yearly examinations of a student's hearing. Screening is conducted in grades K, 1, 2, 3, 7 and 11. Vision screening occurs at all grade levels, K-12. Medical examinations are conducted in grades K, 6, and 11. Dental examinations are administered in grades K, 3, and 7. Level 3 consists of standardized tests administered at various grade levels.

Data from these tests enable counselors, principals and teachers to identify the student's strengths and weaknesses. Students who are considered "At Risk" are referred to the school psychologist for a Multidisciplinary Evaluation (MDE). The psychologist seeks parental consent to conduct the MDE. The MDE is a process to gather information that will be used to determine if a child is eligible and in need of special education services. Parents/guardians who suspect their child is in need of special education services may request a multidisciplinary evaluation at any time through a written request to the school psychologist.

Services designed to meet the needs of exceptional students include the annual development of an Individualized Education Plan (IEP), biennial/triennial MDE Reevaluation, supportive intervention in the regular classroom with itinerant and/or resource services; part-time services; and full-time services. These interventions may be provided in the student's home school/home district or at a location other than the student's home school/home district. The extent of special education services and the location for the delivery of such services are determined by the IEP team and are based on the student's identified needs and abilities.

Parents/guardians may obtain additional information regarding special education services, programs and parental due process rights by contacting the Sharpsville Area School District's Special Education Department at (724) 962-8300 ext. 1651.

Services for Protected Handicapped Students

In compliance with state and federal law, Section 504 of the Rehabilitation Act of 1973, the SASD will provide services or accommodations which are needed to provide equal opportunity to participate in and obtain the benefits of the school program and extracurricular activities to the maximum extent appropriate to the student's abilities. These related services are provided without discrimination or cost to the student or family. In order to qualify as a protected handicapped student, the child must be of school age with a physical or mental disability, which substantially limits or prohibits participation in, or access to, an aspect of the school program.

Services and protections for protected handicapped students are distinct from those applicable to exceptional students enrolled or seeking enrollment in special

education programs. For further information about the evaluation procedures and provision of services to protected handicapped students contact the Sharpville Area School District's Special Education Department at (724) 962- 8300 ext. 1651.

Services for Preschool Children

Act 212, the Early Intervention Services System Act, entitles all preschool children with disabilities to appropriate early intervention services. Young children experiencing developmental delays or physical or mental disabilities and their families are eligible for early intervention services. At risk children are eligible for screening and tracking.

The Pennsylvania Department of Public Welfare is responsible for providing services to infants and toddlers, defined as children from birth through two years of age. The Pennsylvania Department of Education is responsible for providing services to preschool children from ages three through five. For more information about these programs, contact the Midwestern Intermediate Unit IV, 453 Maple Street, Grove City, PA 16127, (724) 458-6700.

SPEECH THERAPY

Speech therapy is available to students who need this service. Initial screening is done during through the Kindergarten registration process and during the school year for all new students.

STANDARDIZED TESTING SCHEDULE

Standardized tests are administered to the students throughout their school careers. The tests are to determine the children's achievement and aptitude. The results of these tests provide a continuing record of each child's academic progress in comparison with national norms. They are an invaluable aid to the teachers and other professional staff in diagnosing individual strengths and weaknesses in order to provide more effective instruction. The following tests may be administered to your child as part of the testing program:

Grade Level	Name of Test
Grade 3	Pennsylvania System of School Assessment (PSSA) English Language Arts and Math
Grade 4	Pennsylvania System of School Assessment (PSSA) English Language Arts, Math and Science
Grade 5	Pennsylvania System of School Assessment (PSSA) English Language Arts and Math

The results of achievement and state assessment tests will be sent home once the results have been received by the school. Further information about any of these

tests can be obtained by contacting the elementary guidance counselor. If you wish to examine your child's cumulative record at any time, you may arrange to do so by making an appointment with the elementary guidance counselor.

STUDENT ARRIVAL TIME

Elementary students are not to be dropped off at school before 8:20 A.M. as there is no supervision available for students prior to that time. If circumstances exist that prevent you from being able to drop your child off at school at 8:20 A.M., alternative arrangements must be made for that child.

Parents/guardians have the option of utilizing one of the childcare programs within the district. Children dropped off at these locations are transported to the elementary school at the appropriate arrival time. These same programs are available for after school hours as well with bus transportation provided from the elementary school to the appropriate childcare location.

STUDENT RECORDS

Each parent/guardian has access to his/her child's records unless the school district has received a copy of a court order, which limits access. The regulation holds even if one parent has custody of the child. Types of records which a parent may wish to review include the following:

- Directory Information: Identifying name, date of birth, address, age
- Health Records: Vision, hearing, immunization records, specific conditions
- Academic Records: report cards, attendance, test scores

The Sharpville Area School District protects the confidentiality of personally identifiable information regarding exceptional and protected handicapped students in accordance with state and federal law and the district's student record policy. Requests can be made in writing and directed to the elementary principal.

Only the school principal may suspend. If the infraction or repeated infractions warrant it, the principal can refer the child to the Board of Directors for an expulsion hearing. The parent/guardian will be informed in writing as to the length and reason for the suspension.

SWEARING

Profanity and the use of vulgar language, drawings, photographs and gestures will not be permitted in school, on the bus and/or at extra-curricular events.

Punishment for this infraction can include loss of recess, detention or suspension depending on the severity of the situation.

TEXTBOOKS

Textbooks and supplies are provided by the district at no cost to students. At the beginning of the school year, the textbooks are issued with the number and condition of the book recorded. Textbooks are extremely expensive and students are financially responsible for the loss of a textbook and damage beyond the normal wear and tear of usage during the school year.

Approval will not be granted for trips scheduled during the first ten and last ten days of the school year, and the PSSA testing windows. Absences exceeding the approved five days will be considered unlawful/unexcused.

The required approval form is available in the main office and **must be submitted at least one week prior to the scheduled trip. This will be strictly enforced.** Permission may be denied for the following reasons as determined by the administration: poor academic standing, poor attendance, and/or disciplinary factors.
