SHARPSVILLE AREA SCHOOL DISTRICT'S
MISSION STATEMENT

The mission of the Sharpsville Area School District, in partnership with the community, is to challenge all students to reach their potential, to be responsible citizens, and to value learning as a lifelong process by promoting excellence in a nurturing educational environment.

NON-DISCRIMINATION

It is the policy of the Sharpsville Area School District not to discriminate on the basis of sex, handicap, race, color, or national origin in its educational and vocational programs, activities, or employment as required by Title IX, Section 504, Title VI, and Chapter 15. For further information, contact Mr. Kirk Scurpa, High School Principal, 301 Blue Devil Way, Sharpsville, Pennsylvania 16150 or Mr. John Vannoy, Middle School Principal, 303 Blue Devil Way, Sharpsville, Pennsylvania 16150.

NON-DISCRIMINATION IN SCHOOL AND CLASSROOM PRACTICES

The Board declares it to be policy of this district to provide an equal opportunity for all students to achieve their maximum potential through the programs offered in the school. The Board encourages students and third parties who have been subject to discrimination to promptly report such incidents to designated employees. The Board directs that complaints of discrimination shall be investigated promptly, and corrective action be taken when allegations are substantiated. Confidentiality of all parties shall be maintained, consistent with the district's legal and investigative obligations.

If the complainant is not satisfied with a finding of no violation of the policy or with the corrective action recommended in the investigative report, s/he may submit a written appeal within fifteen (15) days. Please refer to District policy 103 for the appeal procedure.

SPECIAL EDUCATION SERVICES FOR SCHOOL-AGE EXCEPTIONAL STUDENTS

The Sharpsville Area School District provides a free, appropriate public education to exceptional students. To qualify as an exceptional student the child must be of school age, in need of specially designed instruction and meet eligibility criteria for one or more mental and or physical disabilities as set forth in Pennsylvania State Standards.

The District engages in identification procedures to ensure that eligible students receive an appropriate educational program consisting of special education and related services individualized to meet student needs. At no cost to the parents/guardians, these services are provided in compliance with state and federal law and are reasonably calculated to yield meaningful educational benefit and student progress.

To identify students who may be eligible for special education, various screening activities are conducted at three (3) levels:

- Level I consist of a review of the student’s records including; attendance, IST documentation, Student Assistance referral, report cards, cumulative information, and health needs.
- Level 2 screenings involve yearly examinations of a student's hearing. Screening is conducted in grades K-3, 7 and 11. Vision screening occurs at all grade levels, K-12. Medical examinations are conducted in grades K, 6, and 11. Dental examinations are administered in grades K, 3, and 7.
- Level 3 consist of standardized tests administered at various grade levels.

The following tests are given:

- Pre-Kindergarten = **Early Screening Inventory**
- Grades K, 1, 2, 3, 5 = **CTBS Tera Nova (first edition), spring**
- Grades K, 1, 2, 3, 4, 5 = **CTBS Tera Nova, multiple assessments**
- Grade 3 = **COGAT – cognitive abilities test**
- Grade 8, 9, 10 = **Keystone Exams**
- Grade 3, 4, 5, 6, 7, 8 = **PSSAs**
Reading/Math = grades 3, 4, 5, 6, 7, 8
Writing = grades 5, 8
Science = grades 4, 8

Data from these tests enable counselors, principals and teachers to identify the student’s strengths and weaknesses. Students who are considered “At Risk” are referred to the school psychologist for a Multidisciplinary Evaluation (MDE). The psychologist seeks parental consent to conduct the MDE. The MDE is a process to gather information that will be used to determine if a child is eligible and in need of special education services. Parents/guardians who suspect their child is in need of special education services may request a multidisciplinary evaluation at any time through a written request to the school psychologist.

Services designed to meet the needs of exceptional students include the annual development of an Individualized Education Plan (IEP), biennial/triennial MDE Reevaluation, supportive intervention in the regular classroom with itinerant and/or resource services; part-time services; and full- time services. These interventions may be provided in the student’s home school/home district or at a location other than the student’s home school/home district. The extent of special education services and the location for the delivery of such services are determined by the IEP team and are based on the student’s identified needs and abilities.

Parents/guardians may obtain additional information regarding special education services, programs and parental due process rights by contacting the Sharpsville Area School District’s Special Education Department at (724) 962-7168.

Services for Protected Handicapped Students

In compliance with state and federal law, Section 504 of the Rehabilitation Act of 1973, the Sharpsville Area School District will provide services or accommodations which are needed to

provide equal opportunity to participate in and obtain the benefits of the school program and extra curricular activities to the maximum extent appropriate to the student's abilities. These related services are provided without discrimination or cost to the student or family. In order to qualify as a protected handicapped student, the child must be of school age with a physical or mental disability, which substantially limits or prohibits participation in, or access to, an aspect of the school program.

Services and protections for protected handicapped students are distinct from those applicable to exceptional students enrolled or seeking enrollment in special education programs.

For further information about the evaluation procedures and provision of services to protected handicapped students contact the Sharsville Area School District's Special Education Department at (724) 962-7168.

Services for Gifted Students:

In accordance with the Board's philosophy to develop the special abilities of each student, the Board requires that appropriate instructional programs be conducted to meet the needs of mentally gifted pupils of school age that are in compliance with the mandate of the Commonwealth of Pennsylvania. Thus, the District shall provide gifted education services and programs designed to meet the individual educational needs of identified students.

The framework for said programs shall encompass, at a minimum, the following objectives: expansion of academic attainments and intellectual skills; stimulation of intellectual curiosity, independence and responsibility; development of critical thinking and creativity. The curriculum and programmatic opportunities for mentally gifted students shall be designed to provide a variety of enrichment and acceleration opportunities and to ensure regulatory compliance.

Ability of candidates for this program shall be evidenced by the criteria as set forth in the Pennsylvania School Code and outlined in the District's Administrative Regulation related to this policy.

The District shall provide all required notices and information to parents/guardians of gifted students, document all consents and responses of parents/guardians, and adhere to all established timelines.

The District shall make the Permission to Evaluate Gifted Student Form readily available to parents/guardians. If an oral request is made to an administrator or professional employee, s/he shall provide the form to the parents/guardians within ten (10) calendar days of the oral request. Parents who suspect that their child is gifted may request a gifted multidisciplinary evaluation of their child at any time, with a limit of one request per school term.

Services for Preschool Children

Act 212, the Early Intervention Services System Act, entitles all preschool children with disabilities to appropriate early intervention services. Young children experiencing

developmental delays or physical or mental disabilities and their families are eligible for early intervention services. At risk children are eligible for screening and tracking.

The Pennsylvania Department of Public Welfare is responsible for providing services to infants and toddlers, defined as children from birth through two (2) years of age. The Pennsylvania Department of Education is responsible for providing services to preschool children from ages three (3) through five (5). For more information about these programs, contact the Midwestern Intermediate Unit IV, 453 Maple St., Grove City, PA 16127-2399, 1-800-942-8035.

Confidentiality of Student Records

The Sharpsville Area School District protects the confidentiality of personally identifiable information regarding exceptional and protected handicapped students in accordance with state and federal law and the district's student record policy.

RIGHT TO REQUEST TEACHER QUALIFICATIONS

As a parent of a student at the Sharpsville Area School District, you have the right to know the professional qualifications of the classroom teachers who instruct your child. Federal law allows you to ask for certain information about your child's classroom teachers and requires us to give you this information in a timely manner if you ask for it. Specifically, you have the right to ask for the following information about each of your child's classroom teachers:

- Whether the Pennsylvania Department of Education has licensed or qualified the teacher for the grades and subjects he/she teaches
- Whether the Pennsylvania Department of Education has decided that the teacher can teach in a classroom without being licensed or qualified under State regulations because of special circumstances
- The teacher's college major, whether the teacher has any advanced degree and, if so, the subject of the degree
- Whether any teacher's aides or similar paraprofessionals provide services and, if they do, their qualifications

ATTENDANCE POLICY

Printed below is a copy of the Sharpville Area School District’s attendance policy. It is our wish that you review this policy, carefully paying attention to the section “Excessive Absence”.

Closed Campus

Students coming on campus in the morning are to remain on the school grounds for the remainder of the school day. Students are not permitted in parking lot areas, in the woods, or down the path. Permission from the main office **must** be obtained before a student may leave the school grounds. High school students are not permitted in the middle school classroom area and middle school students are not permitted in the high school.

Absence and Truancy

Regular attendance is necessary to ensure the continuity of the educational process. Regularity of attendance is desirable in developing proper habits, the feeling of mastery through success, interest in school, a sense of responsibility, and those important character-building aspects which have a definite effect upon later life. It is essential that parents/guardians and school authorities plan for anticipated absences together whenever possible. This will assure fulfillment of the school's aim to help pupils plan responsibility for their actions.

Absence is defined as:

- Non-attendance in school
- Non-attendance in an individual class
- A combination of the above mentioned

Tardiness to school and early dismissals will be counted as absences. Certain school-related activities such as field trips, main office/guidance appointments, athletic contests, etc. are exempt from these regulations.

Excused absences include the following:

- Illness
- Critical family illness
- Pre-arranged doctor/dentist appointments
- Authorized school activities
- Death in the family
- Educational trips (maximum of five [5] days; **prior** administrative approval is a **must**)
- Required court attendance
- Religious holidays
- College visitations (seniors only) with **prior** administrative approval

Illegal absence – any absence not classified as excused for students of compulsory school age (16 years of age and under)

Unexcused absence – any absence not classified as excused for students not of compulsory school age (pre-school, kindergarten, and 17 years of age and over)

Truancy - being absent from class or being absent from the building during some part or all of the school day without permission from an authorized school official or the student's parent/guardian.

On the morning following an absence, the student must bring to school a written statement from his/her parent/guardian stating the exact reason for the absence. This statement should include the student's name, grade, date of absence, the specific reason for the absence, and the

parent/guardian signature. If no parental excuse is given to a school official within three (3) school days, the student will be marked illegal (16 years of age and under) or unexcused (17 years of age and over).

The parents/guardians of any child 16 years of age or under that has been illegally absent from school for three (3) days, or their equivalent, shall be served an official notice of second offense action.

A criminal complaint, second offense action, will be filed with the District Magistrate on the sixth illegal absence.

The school is justified in requiring a statement from medical authorities for a claim of continued or repeated illness.

NOTE: Make up work - it is reasonable to require student work to be completed within the number of days the student missed when the total number is three (3) or less. For extended absences, which is defined as four (4) or more days, must be arranged immediately upon return to school and completed within five (5) school days.

Penalties For Truancy - Act 29

Act 29 of Special Session #1 of 1995 extensively revises provisions for truancy. The law raises the fine placed on parents/guardians for truancy to \$300 and requires parents/guardians to pay court costs or be sentenced to complete a parenting education program. Under the act, both the truant child and the parents/guardians would have to appear at a hearing by a district justice. If the parents/guardians show that they took reasonable steps to ensure the attendance of the child, they will not be convicted of a summary offense. If the parents/guardians are not convicted and the child continues to be truant, the child will be fined up to \$300 or be assigned to an adjudication alternative program.

Other provisions allow a district justice to suspend a sentence given to the parent/guardian or child if the child is no longer habitually truant. A district justice may order the parents/guardians to perform community service for up to six (6) months. The new law also grants to state, municipal, port authority, transit authority, housing authority, or school police officers the same arrest powers as attendance officers and home and school visitors.

In addition, Act 29 removes from truant juveniles their vehicle operating privileges for ninety (90) days for a first offense and six (6) months for a second, while juveniles who are unlicensed are prohibited from applying for a learner's permit for ninety (90) days (first offense) and six (6) months (second offense), commencing upon their 16th birthday.

In addition to the penalties set forth in Act 29, the student will be suspended (Alternative Instructional Assignment – AIA) for a period of three (3) days for the first offense, five (5) days for the second offense, and ten (10) days for the third and subsequent offenses.

Also, as truancy from school is an unlawful absence, the student will receive a grade of "zero" (0) for all classes missed and will not be provided an opportunity to make-up work.

Tardy To School

A student is determined to be tardy if he/she is late for his/her assigned homeroom. In this case, the student must sign in at the main office.

Any student having more than three (3) unexcused lates for school or class will be assigned detention. Failure to make up detention will result in a one (1) day of suspension or a Saturday detention.

Any student having an excess of ten (10) unexcused lates for school and/or class will be assigned a Saturday detention.

Students are to be in school the **entire day** to be eligible to participate in activities (this includes practices; athletic events; field trips; plays/musicals; club meetings; etc.) Students are to be in school **on time**, not late.

Any student who leaves school for illness reasons during the course of the school day is not eligible to participate in any school-sponsored activity occurring that same day or evening.

Excusals from School during the Day – Medical/Dental Appointments

Students who wish to be excused from school during the day **must** present a written request to the main school office signed by their parents/guardian **prior to 7:50 a.m.** Requests for an early dismissal must be left at the main office prior to leaving the building. Early dismissals are then recorded and reflected on the daily attendance report.

NOTE: If a student is going to a medical/dental appointment, a slip from the doctor's office must be turned in to the first period teacher the following day. The medical excuse must include the parent's/guardian's name as well as the date/ time of and departure time from the appointment. The school reserves the right to confirm all early dismissal requests.

Students reporting to school late due to a medical/dental appointment **must** bring a medical excuse to the main office with the departure time on it.

Students who become ill during the day should obtain permission from the main school office to go to the nurse's office. If the school nurse deems it necessary that an ill student be excused from school, he/she will issue an excuse slip to any such student. **Students should not go to the restroom when ill;** to do so will constitute a class cut.

STUDENT HEALTH SERVICES

If a student becomes ill during the school day, he/she should report to the main office. Office staff will then contact the nurse, who will decide what should be done. Students must not leave

the building because of illness without authorization from the school nurse or main office personnel. Students leaving school without permission will be treated as an offender and could receive suspension for this action.

SCHOOL INSURANCE

School insurance is available to all students. A packet will be available for each student on the first day of classes. Purchase of this program is optional. Students playing sports are requested to bring proof of insurance from home or they must buy the school insurance before they will be allowed to participate. ***School insurance does not cover football.***

MEDICATION

Before any prescribed medication may be dispensed to any student during school hours, **written** request of the parent/guardian is required as well as a written order of the prescribing physician. Any medication to be given during school hours must be delivered directly to the school nurse, the school principal, or his/her designee by the parent/guardian. The medication must be brought to school in the original pharmaceutical and properly labeled container.

BUS TRANSPORTATION

Proper and reasonable conduct is expected from all students while being transported. The authority of the school shall continue and be respected during the time necessary to accommodate the home to school transportation phase necessary to our educational program.

Approved sequence of driver-control measures in case of pupil misconduct:

- Warning the offender that misconduct will not be tolerated
- Assignment to a seat
- Reporting names, incidents of continuing and extreme misbehavior to the principal of the school and the director of transportation attended by the offender

The principal will notify the parent/guardian of the student reported to him/her by the driver or contractor. Action shall include:

- A warning that misconduct shall cease
- A second reporting will result in a suspension of riding privileges as determined by the principal after he/she has a conference with the parent/guardian and/or student.

All bus stops are authorized by the Sharpville Area School Board as designated by the Director of Pupil Transportation.

Students should also be aware that while you are being transported you are "on school property." This means that if you violate the discipline code, you are responsible for whatever penalty it would call for, plus the loss of your riding privileges.

Remember, Bus Transportation To And From School Is A Privilege!!! Should you lose your privileges, you are expected to provide your own transportation to and from school or the days you are not in attendance will be marked unexcused/illegal.

GENERAL INFORMATION

Visitors

The school policy is to accept only those visitors who have legitimate business at the school. Guests and visitors must register in the main office. Parents/guardians are always welcome. Students are not permitted to bring guests. Visitors are expected to leave promptly when their business is completed.

Trespassing

No one, including students, may be in the school building or on school grounds after school hours or on a non-school day unless that person is on official school business, is participating in a supervised school activity, is a spectator at an activity open to the public, or has been given permission by the school administration to be here. Anyone who loiters at school or upon school grounds after the close of the school day, on a non-school day or after a school activity without specific reason or supervision, or who is directed to leave and refuses to do so, may be charged with trespassing under the Pennsylvania Crimes Code.

Telephone

A public telephone **is no longer** provided for student use. No one is to be excused from class to use the phone. Social telephone messages are not accepted at school, nor will you be called to the phone.

Fire Drills

Fire drills at regular intervals are an important safety precaution. It is essential that when the first signal is given, everyone obeys orders promptly and clears the building by the prescribed route as quickly as possible. The teacher in each classroom will give the students instructions.

Parking Regulations – High School Only

Students are permitted to park in the West Lot at the far end of the Middle School. You are **not** permitted to enter through the Middle School.

Registration - All vehicles driven to school and parked on school property must be registered with a parking sticker. You may obtain your sticker through the high school office. This applies

also to vehicles driven only occasionally. The cost of the parking sticker is \$20 and requires you to park in your designated spot. You may share your permit with another student as long as their car is registered as well.

All Registered Vehicles must display the appropriate proof of registration provided by the High School Office.

Faculty/Visitor Parking – The two (2) double rows of parking closest to the building as well as the side spaces from the new elementary drive to the new spiral path are for visitor use.

Student Parking – Students are permitted to park in their designated space only. Violators may be towed.

Loitering - Vehicles will be vacated immediately upon being parked. Loitering, eating, etc., in the vehicle is not acceptable. Vehicles should be locked and not entered throughout the school day without permission. **THIS IS FOR YOUR PROTECTION** - The school is not responsible for any items removed from vehicles parked in the student parking lot.

Dismissal - **Do not drive in front, between, or pass buses at any time while on school property.**

Pedestrians - Those walking have the right-of-way at all times. Avoid stopping vehicles in crosswalks.

All Rules Regarding Smoking, Weapons, Drugs, Alcohol, etc., which apply in school, also apply in the student parking lot and vehicles.

Recklessness - Speeding, reckless driving, driving over curbs, walks, or lawn will not be tolerated. Avoid overloading vehicles. Violators will lose their driving and parking privileges on our school property.

Suspension - Driving on school property and use of the student parking lot are privileges subject to suspension through violation of the above regulations. The driver's cooperation will be appreciated.

NOTE: The School District cannot assume any responsibility for mishaps or damages to vehicles while driven to school or parked on school property.

Student Valuables

Students are cautioned not to bring large amounts of money or other valuables to school. If you wear glasses or watches keep track of them at all times. Students, not the school, are responsible for their personal property. If it is necessary to bring more money than needed to pay for lunch, leave it at the main office for safe keeping. **Do not leave it in your locker** even if you have a lock on your locker. Electronic devices are **not** permitted to be used during the school day. Using them may result in confiscation and/or disciplinary action.

Lost And Found

If you should find an article, textbook, etc., please bring it to the main office to be placed in the lost and found. If you have lost an article please come to the office to look for it.

Work Release – High School Only

Permission for early dismissal for work will be given to **seniors** if they meet state and local requirements for working papers and for graduation. Forms completed by both parents/guardians and employer must be on file in the guidance office. No student will be excused unless he/she has a work permit and signs out daily in the high school office. Exceptions to the above will be made on a case-by-case basis.

Students excused for work must be passing all subjects. These students must be responsible for their own transportation to the job location and notify the guidance office if their employment is terminated or the place of employment changes. Students should check with the high school office to secure announcements, which pertain to them. Failure to follow these regulations will result in the loss of early dismissal permission.

Working Papers – High School Only

If you are under 18 years of age and/or are in school, you must obtain a work permit in order to accept employment. The law has certain requirements concerning the type of work you may do, the hours, and under what conditions you may work. Applications and all necessary information may be obtained in the High School Office.

Good judgment must be exercised in seeking employment. A student's first responsibility is his/her schoolwork. If a job deprives a student of his/her study time and participation in school activities, he/she will not be able to maintain a satisfactory school record.

All early releases for work require students to personally sign out in the high school office each day. Due to school policy, early release for work will be granted to **seniors only** if scheduling arrangements can be made.

Exceptions to the above will be made on a case-by-case basis.

Locker Search Policy

School authorities may search a student's locker and seize any illegal materials. Such materials may be used as evidence against the student in disciplinary, juvenile, or criminal hearings.

The courts have held that school lockers are school property loaned to the student for the student's convenience. (School authorities may search the student's locker **without** prior warning in seeking contraband. School authorities are charged with the safety of all students under their care and supervision. Courts have reasoned that the school extends locker use to students only

for legitimate purposes). Students shall not expect privacy regarding items placed in school lockers because school property is subject to search at any time by school officials and that school officials will conduct random, periodic sweeping searches of all lockers.

Narcotic detecting dogs may also be utilized to search student's lockers.

We strongly suggest that all students put a lock on their locker. A duplicate of the key or a copy of the combination must be on file in the main office. A violation of this rule will result in the lock being cut off if the need arises.

It is the responsibility of each student to make sure that his/her own locker is kept clean and neat. Students are not permitted to double-up in another locker.

Physical Education

All students must participate in physical education. In view of this it is strongly urged that the student visit his/her family doctor for a complete physical examination before entering school. If any limitation is to be placed on participation in physical education, a **written** statement should be presented which clearly sets forth the limitations and is signed by the family doctor. The statement will be made a part of the student's record. Students are not excused from physical education.

Dress Code - Because of the fact that physical education is an activity-oriented course, there are specific requirements as it relates to appropriate apparel in class.

Aside from the dress/apparel guidelines stipulated by the physical education department, there are items of apparel that are **not** permitted. These items include:

- Any and all jewelry (chains, earrings, etc.) that present a potential health/safety hazard either to the student who is wearing the said item or to others in the class.
- Any and all jewelry (hoops, etc.) in conjunction with body piercing of the ears, facial area, and/or torso.

Study Halls And Passes

Students are required to study in study hall. Study hall teachers may issue passes only to the main office, guidance office, or to the restroom in emergency cases. Students desiring to see a teacher other than their study hall teacher must have previously obtained a pass from that teacher. If the student is to remain with the teacher all period, this is to be indicated on the pass. Card/game playing; iPods/MP3 players or sleeping are not acceptable behaviors.

Permit To Drop A Course

Permission to drop a course is difficult to obtain. When a student elects a course, they are expected to complete it. If a course is dropped after the first three (3) weeks into the course, a failing grade will be recorded on the permanent record card and no credit will be given.

Program Change

Changes can be made or a course dropped through the first three (3) weeks of classes if:

- The existing schedule permits the change and the change will not overload a particular class.
- The change results in a reasonable program of studies in terms of the established curriculum.
- Parent/guardian, teacher, Counselor, and the principal approve the change.

After the first three (3) weeks into the course, if a course is dropped from the schedule, a failing grade will be recorded on your permanent record card and no credit will be given. No partial credits are ever given for successful completion of any quarter of the course.

Book Bags – Middle School Only

Book bags are not permitted to be used during the school day. They may be brought to school but must be left in the student's locker.

Homebound Instruction

Whenever a student contracts a disability or an extended illness, provision can be made for homebound instruction. The requirement is that a child must be unable to attend school for a considerable period of time. Homebound instruction can then be arranged with a **maximum of five (5) hours per week**.

Requests for homebound instruction should be initiated by the parent/guardian through the principal and supported by the necessary statement from a physician. There is no charge to the parents/guardians for this service.

NOTE: The Department of Public Instruction will approve Requests for homebound instruction on the basis of emotional, nervous, or mental disorders only when a licensed psychiatrist or psychologist issues the statement supporting the request.

Withdrawal and Transfer

Contact the guidance office for specific details.

Flag Salute and Pledge of Allegiance

The legislation allows students to decline reciting the Pledge; however, the School District is required to notify, in writing, parent(s)/guardians(s) of their refusal to recite the Pledge. Students who choose to refrain from participation shall respect the rights and interests of classmates who do wish to participate by remaining quiet during the Pledge of Allegiance.

Conduct At Athletic Events/School Functions

District 10 and the Sharpsville Area School District encourage and promote sportsmanship by student athletes, coaches, and spectators. Profanity, racial or ethnic comments, or other intimidating actions directed at officials, student athletes, coaches, or team representatives will **not** be tolerated and are grounds for removal from the site of competition.

Your cooperation with the school personnel managing the events will be greatly appreciated and beneficial to all parties.

The same code of conduct is expected at all functions of the school including assemblies, band performances, choir performances, etc.

School Sponsored Trips/Competitions

Participation in school sponsored trips and/or competition is a privilege and not a right. Appropriate dress, appearance, and behavior are expected. Non-compliance will result in exclusion from such activities.

Textbooks

The school at the expense of the School District supplies textbooks. When books are issued at the beginning of the year, the teachers will record the number and condition of the book. Students are responsible for the loss of books or damage to them. In either case, the students should pay for and procure new books immediately. If books are later recovered, the money will be refunded. If students withdraw from school before the end of the term, they should personally return all books to the respective teachers. Lost and damaged books must be paid for before the issuance of the final report card.

In order to provide for efficient cafeteria operation and as a guide in respecting all other students, the following rules are listed:

DISCIPLINE CODE

Education involves many areas of learning. The classroom experience is of primary importance to everyone involved in education. However, along with knowledge, students must also develop discipline and self-control.

A school whose student body has a respect for its teachers, for its rules and regulations, and for each other will be a school that has a climate conducive to learning.

This discipline code has been prepared for the welfare and protection of every student at Sharpsville Area High School and Middle School. You are responsible for knowing and understanding this information.

Saturday Detention - This form of discipline is utilized in cases where students do not respond well to after-school detention. Students will be assigned to Saturday detention for up to four (4) hours.

All expulsions must be after a formal hearing before the Board of School Directors or a duly authorized committee of the Board. A majority vote of the entire School Board is required for expulsion. The expelled student's progress and behavior will be reviewed one (1) time per year following the expulsion to determine if the student has made the necessary adjustments to merit re-admittance. The date for review will be established at the time of expulsion. A majority vote of the entire Board of School Directors will be required for re-admittance of expelled student.

ELIGIBILITY REQUIREMENTS FOR PARTICIPATION IN SCHOOL ATHLETICS/ACTIVITIES

Eligibility

Students are to be in school the **entire day** to be eligible to participate in activities (this includes practices; athletic events; field trips; plays/musicals; club meetings; etc.) Students are to be in school **on time**, not late.

Participants in interscholastic athletics, school activities, and clubs will be eligible to participate as long as they meet the eligibility requirements established by the School Board. Eligibility is defined for the first one-third of each grading period, as meeting PIAA requirements, which is passing four major subjects. For the remainder of each grading period, eligibility is defined as not having a combined total of two failing grades (F) in courses equal to two credits. For example, an “F” in English and one in Math would make the student NOT eligible. Again an “F” in English and an “F” in Physical Education would make the student eligible since Physical Education is not a full credit course. A full credit is defined as a class that meets five (5) days a week for the entire year. Tutoring is available and is highly recommended for students receiving a failing grade.

Any participant who is declared ineligible for the first time during the particular activity will be able to practice, but not play in any games etc. The second time and any other time during the season that a student is ineligible by these standards, he/she will not be able to play in games/matches and will not be permitted to practice during the period of ineligibility. Likewise, a student who is ineligible for the first time during school can go to dances, club activities, and club meetings. The second time and every time after that, the student forfeits all rights to participate; and therefore, will be barred from all activities.

Any activity, which is related to the curriculum and figures into a student’s grade, is exempt.

In the implementation of this policy there will be a weekly evaluation of each student's eligibility based upon the failure reports due in the Principal's Office each Friday afternoon. Students not meeting the academic requirements would not participate the following week. At the beginning of a new school year, ineligible status will be issued to students whose academic achievement was unsatisfactory according to the future standards established above for the preceding school year.

A daily activity/athletic eligibility list will be available in the high school office (for students in grades 9-12 only) after 1:00 p.m. If a student appears on the list, he/she is ineligible to participate unless the name appears with a line drawn through it.

Tardiness/Illness Eligibility

Students are to be in school the **entire** day to be eligible to participate in activities (this includes practices and athletic events.) This means that students are to be in school **on time**, not late. The only time that student athletes are permitted to come in late the morning after a game would be if the coaches have been given prior approval by the principal to tell the students that they can be late. If that is the case, a time would be established setting a deadline for students to be in school in order to be eligible to participate in that day's activities. This does not affect students who are excused from school for a normal doctor or dental appointment that had been previously scheduled and approved by the high school office.

Any student who leaves school for illness reasons during the course of the regular school day is **NOT** eligible to participate in **ANY** school-sponsored activity occurring the same day/evening. This does not affect students who are excused from school for a normal doctor or dental appointment that had been previously scheduled and approved by the high school office.

Philosophy

The athletic program in the Sharpsville Area School District is designed to promote a wholesome atmosphere of good sportsmanship, teamwork, and competition among the students and to generate school spirit.

The Administration of the Sharpsville Area School District believes that the record of victories compiled by the various teams does not necessarily measure the success of the athletic program.

The Administration would never presume to dictate to any coach the methods, style of play, or procedures used in preparing his/her squad for competition. However, there are several guiding principles, which in keeping with the educational nature of coaching seem necessary to be established as an overall framework of operation for coaches.

Members of each squad will reflect the highest order of ability, behavior, actions, and attitudes. Such things as using tobacco, drugs, or profanity on the field **cannot** be tolerated, can only lead to an unsuccessful program, and will require disciplinary action. This extends to every coach, assistant, and volunteer.

Athletic programs in the elementary school are designed to expose students to the sport. The goal is to learn how to play the game and to work on acquiring the necessary skills needed to participate in the program. Emphasis needs to be on offering a learning experience that is fun and not based on win/lose competition.

Middle school programs are a continuation of the elementary programs. The emphasis is on learning how to play the game, working on skills, and teamwork.

Win/lose competition is not to be the prime incentive. Therefore, all students shall be given the opportunity to participate in every aspect of the program. Playing at this level is more important than the winning of the game.

High school varsity and junior varsity programs are designed to the maximum learned skills in competition representing our school. At this level, not all team members may get in every contest. It is our hope that when the contest has been decided that free substitution be utilized.

Effective coaching presumes efficient planning. Practice sessions as well as every phase of the entire sport activity must be planned in advance.

Objectives

- To provide natural outlines for students desiring to participate on teams in competition with other teams of similar ability.
- To assist in the development of school and student morale.
- To teach good sportsmanship and teamwork.
- To help develop skills that have carry-over value in terms of leisure time.

Athletic Committee

The Athletic Committee shall recommend athletic policy to the School Board. The Committee or Superintendent shall recommend to the School Board personnel for employment in the Sharpsville Athletic Department. In addition, the Athletic Department will contribute to a more effective, broader athletic program. The Athletic Committee shall be composed of the following members:

- Superintendent
- School President, Ex-Officio
- Three (3) School Board Members (selected by the Board President)
- Building Level Principal
- Athletic Director

The Athletic Committee shall meet as needed. Meetings will be called for the purpose of hiring coaches, evaluations, athletic budgets, or to discuss issues that affect athletics.

A member of the School Board will act as Chairperson of the Committee and will be appointed to this position by the School Board President. Head coaches will be invited to attend meetings

concerning their sport and to participate in interviews for the purpose of hiring assistant coaches for that sport.

ACADEMICS

Grading System

The High School and Middle School are comprised of four (4) nine (9)-week grading periods. The grading system currently in effect is as follows:

Cheating includes but is not limited to:

- Copying homework from another student
- Securing answers in a dishonest manner

Third Offense – Will result in the student(s) receiving a failing grade for the nine (9) week grading period.

Report Cards

You should expect to receive your child's report card approximately one (1) week after the last day of the grading period.

Percentages are placed on the report cards (not letter grades). The grade earned reflects class participation, homework, reports/research, tests, and quizzes.

If you have a concern about your child's performances, you should schedule a conference with the teacher.

Students need to complete all sections. Completion of the form does not guarantee selection. The form includes information on co-curricular activities, leadership positions, service activities, community service activities, recognition and awards, an essay on why the student should be selected, and signatures by the student and parent/guardian. The completed forms, complete with required signatures, must be turned in by the announced due date in order to be considered for induction.

Make Up Work

Students who are absent for any reason will be required to make up work missed in each class. A day's absence does not excuse a student from responsibility for all recitations on the day of his/her return (see page 8 for make up work responsibility requirements).

In-School Suspension (AIA)

If your son or daughter is assigned AIA, they will be provided the opportunity to complete all school work/assignments during this time with the exception of physical education.

Sharpsville's Operation Success (S.O.S.)

In order to guide our students down the pathway to success, we will provide a tutoring program for every student to receive assistance to avoid academic failure. In addition, the tutoring program will be provided for any student that needs help on an as-needed basis. The philosophy of the program will be such that we can successfully teach all students and not allow them to get so far behind that there are no hopes of them passing.

Schoolwide Tutoring:

- Schoolwide tutoring will be scheduled Monday through Thursday during the entire school year and will be supervised by subject departments. All subjects will be represented on a rotating basis throughout the week.
- Every student on the failure list for a subject must attend an S.O.S. session for that subject in the library during the following week.
- Any student with excessive absences will be required to attend an S.O.S. session for the subject that is most impacted as a result of the absences.
- In exchange for attending the S.O.S. sessions, the student will receive a minimum of 60 percent for all of the makeup work completed.

Parental/Guardian Involvement:

- All parents/guardians will be notified of the S.O.S. plan at the beginning of the school year in a mailing that will encourage them to become part of the team in order to foster the growth mind-set among all.
- An e-mail will be sent and/or a call will be made to parents/guardians the day of tutoring to inform them of their child's attendance.

Consequences:

- Saturday detention will be assigned to any student who misses a scheduled S.O.S. appointment. Work, athletics, etc. will not be acceptable excuses for missing.

- One (1) day of AIA will be assigned, and the Saturday detention will be reassigned for any missed Saturday detention. Work, athletics, etc. will not be acceptable excuses for missing.

Tutoring Program

After school tutoring is available via the S.O.S. program to all students. A schedule of subjects, dates, and times will be posted and all subjects will be scheduled. There will also be open library for students who need to take advantage of the library for research. Make up tests will be given at a designated time, one (1) hour each week, and will be proctored by a certified teacher. Students must notify the subject teacher of their intention to take a make-up test. Students who opt to attend the tutoring program in lieu of detention will be given detention credit for attendance. Students must be doing work for a scheduled subject and remain for the total detention time.

Homework

The assignment of homework to students is an accepted policy of our School District. It is felt that in fulfilling such assignments, students can be helped to develop independent work habits and a sense of responsibility.

How can you help? You need to supply the basics: a desk in a quiet place (no radio or TV playing) with adequate lighting and a dictionary. Some suggestions for helping with homework:

- Plan a regular time to do homework each day (forty-five [45] minutes to one [1] hour)
- Let your child know that you are available to help.
- If you child does not have homework, use the time period for review or extra reading.
- Check to see if the assignments are completed and legible; if not, redo them.
- **BE POSITIVE!**

eSchoolBook

eSchoolBook is available for all students in order to help increase the flow of information between parents/guardians, teachers, and students. Please contact the school in order to receive your personal user ID in order to allow for daily updates for each and everyone of your child's classes.

SCHOOL GUIDANCE

School Guidance Services are available to all students. Guidance Services are designed to meet a variety of student needs surrounding social, behavioral, academic, career, and personal issues. Students are encouraged to use their guidance counselor as a resource for each of these developmental areas. In order to prepare students for life beyond high school and to provide

early exposure to a variety of careers, several career activities and resources are made available to middle and high school students.

This student handbook represents a summary of Board Policy on various topics. The full text of the actual Board Policy should be consulted and shall be controlling in matters of interpretation, clarification, conflict, and enforcement.
