

February PTO Meeting  
2-7-2024

**Principal Update:** Kindergarten Registration is currently open. If you know anyone that has a kindergartener or may be new to the district with a child of kindergarten age please let them know that sign ups have begun.

*Valentine classroom parties* are scheduled for February 14th. Parent volunteers should arrive around 2 pm.

*Fun Night is scheduled for February 14th, there are around 200 children signed up. Please remember to refer to the dismal map for pick up that evening so that everything runs smoothly.*

February is the month we start buckling down, we still have a few fun things planned but we really start focusing on school work.

**Treasure Report:** Balance 30,015.12 Christmas Land cost  
2,479  
Deposit for the 5th grade field trip 4,400  
Estimated cost for the 4th grade field trip 675.00

**Team Reach:** A team reach account has been set up. All the information shared on the PTO Facebook page will also be shared on the Team Reach app now.

**Field Trips:** Busing has caused an issue with some of our field trips this year. Originally we were given the ok by the bus company but due to a driver shortage we have to leave later and be back earlier. Grades K, 1st, and 5th were not affected by this issue.

**K-** Walk to Bhul Park **May 13** with a rain day May 14  
**1st-** Keystone Safari **May 16**  
**2nd-** Living Treasures, waiting on confirmation from Living Treasures  
**3rd-** Environmental Day at Westminster (if it rains Planetarium) **May 23**  
**4th-** Scrappers Game **May 10th**  
**5th-** Pittsburg **May 15**

**Valentine Party:** Sign up sheet passed around, Maria Monnin will be making the cookie for the classroom parties. Please remember if your name next to the star on the sign up sheet you need to stop by the cafeteria and pick up your classroom snack. Volunteers should bring a game or craft to do during the party. Volunteers should enter at the east wing (1st grade dismal)

**Father/Daughter Dance:** Everything is moving smoothly. Decor is coming in. Forms are coming in. Donations were asked for glow sticks in any amount. Early admission tickets due by 2/14. Tickets will be sold at the door also.

**Mother/Son Night:** This year we would like to try something new for mother and son night. We would like to host a kickball tournament. Principal Marshall is on board and said we could use the middle school gym since it is bigger. The games would be kept short, the gym would be separated into two sections. Holly asked if anyone objected to the change, no one did. They are still planning on the tie dying station.

**Daffins:** 16,100 sold 36% will come back in profit **Pick up will be March 8th**  
A sign up sheet to help sort was set out. Volunteers should be there at 1pm,

**5th grade Picture Fundraiser:** Sue looked into renting the casino area but it has already booked out for the time frame we would need. After speaking with Bhul park a lot of the locations are booked for that month. Another park issue is that cash can not be exchanged on park property, it has to be done electronically.  
Sue is going to check out some other possible venues that were suggested and asked if anyone with a suggestion could please message her. She is looking for an area with a roof or shelter from the rain, just in case the weather does not cooperate.

**Yearbook:** Yearbook forms were sent out in the red folders,  
you can also order online at **ybpay.com code 4707624**  
If you have any photos you would like to submit from classroom parties or events you have attended this year please send them to [sasdyearbook@gmail.com](mailto:sasdyearbook@gmail.com)

**Other:** Due to the busing shortage if you can think of any field trip ideas for next year please let us know. This problem doesn't seem to be going away and we are probably going to have to stay closer.

**Motion to adjourn 1st Shannon Adkins**

**2nd Tiffany Scott**
