Open Board Nominations: VP Position & Secretary Position are going to need filled.

President Alta will be done after next year, so whoever takes over the VP position will be president in training.

Field Trips: All field trip dates were school board approved at their last meeting. There were field trip sign-ups at this meeting and they will also be at the next meeting.

Fun Run: We still need someone to head this up or we will not be able to get a date booked for next year. The date needs to be booked quickly because the company who runs this they book up fast. Tiffany Scott is willing to help somebody run it, but we still need one other person to volunteer to work along with her.

5th Grade Graduation: Picnic is all set. There will be papers coming home for parents to buy extra's on top of what each 5th grader is already getting from the PTO. They are already receiving a classmate signed shirt and a drawstring bag.

Father/Daughter Dance: will be held on April 29th. We need ideas for a photobooth. The places that we have booked in the past are not available that weekend. We are looking to keep the cost well under \$500.00 If you have any suggestions please contact one of the board members or Nikki Bracken.

Mother/Son Game Night: Will be held on April 22nd from 5-7 PM in the Elementary Gym. Set-up will be the night before on April 21st from 4:00 until done. Sign-up sheets were at tonight's meeting for volunteers to help with the whole event and set-up. The school board has approved to waive all fees for the Mother/Son and the Father/Daughter.

Field Day Shirts: We have all the students' shirt sizes finalized. We almost have all the 5th grade designs for the shirts turned in and we will post a poll on our Facebook page for the students to vote on which one they want on the shirts for this year. Talks of a possible PTO Spirit sale to run in the HS with the field day chosen design on those items as well.

Yearbook: Will do a final post to the PTO page of who has already ordered a yearbook. You will have just 2 more weeks to order so get your orders in because we do not order extra books.

Daffin's: We made \$5,100.00 this year! Pick-up will be Tuesday March 28th from 3:30-6:30 in the cafeteria. We will also need help sorting candy that morning starting at 9:00. There was a sign-up at tonight's meeting to volunteer for pick-up and sorting. You will need to pick-up your candy that day because we have nowhere to store it.

Cookie Dough Sale: We are just finalizing a few details on this, but information should be coming home on this in next week's red folders.

2nd Grade Teacher Request: They wanted to ask if the PTO would be willing to donate \$325.00 towards their Bug Ball Costumes that either need repaired or replaced.
