FYI...

First grade is such an important year! SO much of what we do is learning HOW to learn and HOW to be a successful student. Therefore, much of our time, at the beginning of the school year, is spent building a strong foundation for achievement. It is so important that we have your support at home. Please make sure that you are checking homework folders each night, encouraging appropriate behavior, and making homework a priority each night. Also, it is helpful to post this newsletter in a prominent place in your home. This way you will always have the words handy, just in case your first grader forgets his/her vocabulary notebook.
