Reading- Kindergarten Review

- We will be reviewing letter names, sounds, and vocabulary words from kindergarten. Your child received a list of the kindergarten vocabulary words on Thursday in their Vocabulary Notebook. The notebook will come home nightly and should be returned in your child's folder daily. These words should be reviewed each until your child has mastered the list. I will also review the words daily with your child. When he/she has mastered the words, I will place a sticker or star in his/her notebook. This will indicate that your child is no longer required to practice these words for homework.

Vocabulary Words:

FYI...

- We had an excellent first week! Much of this week was spent practicing our classroom rules and routine. You can help ease the transition to first grade by reinforcing appropriate behavior and hard work in the classroom. Please check your child's backpack every day for his/her HOMEWORK folder. ***This should come home every night and be returned to school daily.*** All important information from our classroom will be sent home in this folder.
- Lunch Money - The easiest way (and probably the best way to avoid misplaced lunch money) is to send lunch in a SEALED envelope with your child's first and last name written on it.
- Thank you for the prompt return of the emergency forms and for your ***generous*** contributions to our classroom through the Giving Tree items. All of your support makes our classroom a success!
- Please remember that the beginning of first grade is a big transition. If your child is reluctant to come to school (or even a bit teary eyed), this is normal. It will pass as she/he becomes more familiar with first grade. Stay positive. It is going to be a great year!!

HAVE A GREAT WEEKEND!
