

Welcome Back!

August 13, 2021

Dear Sharpsville Families,

For nearly 50 years, we've provided high quality, healthy and delicious food to K-12 students. This year will be no different, only those meals are available at **zero cost to you**. We will continue to offer Ala Carte items for the students to purchase during lunch. Your support for more meals served means more funding and resources available for your school district to help sustain your school's food service program. Together we can ensure that all kids in our community have access to the same healthy, nutritious meals!

We're so excited to serve the Sharpsville community in the 2021/2022 school year! Our goal is to provide high-quality, nutritious, healthy, and well-balanced meals to all students. Please do not hesitate to reach out to me with any questions, concerns, or feedback.
