The Hope Daycare Center—The Hope Early Learning Center, Wexford, PA . Ages 2-5 Childcare for kids of all abilities. 724-933-4673 <http://www.thehopeearlylearningcenter.com/home.html>

Other support options

Class Kids/ Family Partnership: unique approach to supporting families by assisting children with disabilities in becoming involved in inclusive community and leisure activities. CLASS Kids works closely with families to identify the child's recreational interests and find corresponding community activities. We then assist the child in being incorporated into the activity by teaching strategies and techniques to the family and the recreation provider. The overall goal of the Family Partnership Program is to increase interactions between children with and without disabilities and to provide families and communities with strategies for success.

http://www.classcommunity.org/sites/default/files/family_partnership.pdf 1-888-954-2424 x 2245

Spina Bifida Blue Prints: <https://www.sbawp.org/blueprints-program/> SBAWP's BluePrints program offers children with spina bifida and other related disabilities the opportunity to develop social, motor, sensory and cognitive skills by interacting with peers in a fun and stimulating environment. BluePrints offers a play group setting for children ages two – five years old. The aim of the program is to provide a place where parents and children can interact in a play/support group setting under the careful supervision of a professional.
